

Mini Cruisers

Riverview Early Childhood Center

Supplies

We ask that each family bring pictures of the children, pets and family members. We like to display them in the room for the whole year and it helps the transition of being at daycare during the day.

A few things that your child will need on a daily basis are:

- A package of diapers
- Wipes
- An extra change of clothes
- Blanket/small pillow for nap time
- Pacifier if needed

I will notify you on your gram when your child has 15 diapers left and when their wipes are half gone, so will you have enough time to bring more. I will write your child's name on their diapers so there is no confusion on whose diapers are whose.

In addition I ask that you please bring 1 or 2 boxes of Kleenex for all the children to use during the year. I would also appreciate if you could help me out with some of the following items:

Please choose two of the following items below:

- One package of copy paper
- One roll of contact paper
- A package of scotch tape
- One package of small paper plates
- One package of crayons
- One box of Ziploc baggies (quart or gallon size)
- One bottle of white glue

These items listed above help offset the costs for the activities in our classroom. If purchasing these supplies causes your family financial hardship, please let us know!
