

Mini Cruisers

Riverview Early Childhood Center

Welcome

Welcome to the Mini Cruisers. Every week we will have activities planned around weekly themes. The activity calendar will be placed in your child's cubby just inside the room.

If your child will not be coming when they are on the schedule or you are running late please call and let the office know. If your child doesn't show up an hour after their scheduled time it is our policy to call you. We schedule staff around the number of children scheduled, please let us know if your child will not be here or will be late.

We ask that each family bring pictures of the children, pets and family members. We like to display them in the room for the whole year and it helps the transition of being at daycare during the day.

We want to have a wonderful and enjoyable year together! If you have any questions or concerns feel free to talk to our teacher, our directors or any of the classroom staff!
