MISSION STATEMENT
Riverview's mission is to provide a quality, affordable program that parents can rely upon throughout the year, and to provide a program that meets the needs of the whole child and provide opportunities for children to develop socially, emotionally, cognitively and physically in a nurturing environment

Summer Time!!!

One month gone.
I can't believe June is over. We had a pretty exciting month. The children are all doing so well, and having a good time. We are looking forward to July and all the activities we have planned

MOVEMENT CLASSES

The Dance Connection is offering movement classes at Riverview Daycare for boys and girls, ages 2 years through school-aged children! During our classes we will work on using large motor skills, balancing, rhythmic movement, creative expression, tumbling skills and much more! This will help your child to increase in body awareness, strength, balance, coordination and self-confidence while having fun!
