I am extremely excited for your child(ren) to be joining the Sunshine Gang. I want to welcome you and your child with open arms. We have a lot to look forward to this year. Your child will be learning to attend an activity for short periods of time, getting along with friends, advance in their large and small motor skills, and keep learning shapes, colors, and continue recognition of numbers and letters. Some of the small motor skills will include; proper way to hold and use crayons, pencils, markers, scissors, using glue and how much to use. We also will be learning to write our names, and some other letters. We will also work on large motor skills such as balance, coordination, throwing and catching balls and so forth.

Our activities will be planned around entertaining themes. Attached is a general list of themes and skills that will be covered throughout the year. The themes will begin Monday August 24th. The activity calendar will be posted the first of every month on the parent board right outside the door. There will also be one put in your child's mailbox.

We want a wonderful learning experience for all the children in the room, and are greatly looking forward to the year with you and your family. If you have any questions, please do not hesitate to ask either myself or any of my associates. We welcome you to the SUNSHINE GANG!!
