Is someone sick or getting tested for COVID?

If you or someone in the household is sick, it is required that you keep your child home. It is also required to keep your child home if someone in the family is getting tested for COVID until you get results. Thanks for your cooperation in this matter.

Policy update:

As soon as the staff that want to be vaccinated get vaccinated, we will start to look at easing some of our restrictions. (with DHS approval). Unfortunately, at this time we were told that they do not know when childcare providers will be offered the vaccine. We will continue to keep you updated as things change.
