

Bright Beginners

Riverview Early Childhood Center

Supplies

This room is designed to directly correspond with the needs of each individual child. Basic curriculum is in place to encourage stimulation of different skills and developments. Attached is a list of the basics for two separate age groups. At daycare your child's belongings are used for your child only. All items are labeled with your child's name and/or initials.

Your child will be given a hook and a cubby to put their belongings in. Each day when your child is picked up you will receive a baby gram explaining everything that went on with your child that day. There is one attached for you to look over. When your child has 15 diapers and/or 1/3 wipes left, at the top of each baby gram is a section that is to let you know if your child is low or out of anything. If your child is on formula I will let you know when their container is 1/2 gone. If your child is receiving any medications, prescription or non-prescription (Tylenol Baby orajel, etc), you will need to fill out a medication sheet, these are located in the classroom (see teacher). Here are some checklists of things your child will need.

We ask all families to provide 3 boxes of Kleenex. Please let us know if this causes your family a financial hardship.

Daily Necessities:

- Diapers (children are changed every 2 hours, unless soiled before)
- Wipes
- Complete change of clothes
- Pacifier (if needed)
- Baby bottles 3 or more
- Formula (if needed) (we can provide)

Winter Weather Necessities

In the Winter & Fall we will go outside if not too cold and play for approximately 15 minutes. What your child will need:

- Snowsuit or snow pants & coat
- Boots
- Mittens & Hat

Summer Weather Necessities

In the Spring & Summer we go outside almost every day and play on the infant playground, weather permitting. We also have water days on Fridays, on these days we go outside and play in the sprinklers. If it is bad weather outside your child will still need their water day items because we will play in water tables indoors. Needed are:

- Swimsuit or swim trunks
- Little swimmers (optional, you may just use diapers if preferred)
- Towel
- Sunscreen
- Water shoes (optional)

All seasonal items may be left at daycare or brought each time if you choose.
