

Greeting Families! My name is Julie Irvin (Ms. Julie) and I am excited to be the four year-old teacher here at Riverview ECC. Stacy Henry (Ms. Stacy) is our amazing associate teacher as well as the teacher for the four-year-old students in the daycare center.

We are a part of the Statewide Voluntary Preschool Program which is free to all children who are four years of age by September 15th. "The purpose of Iowa's Statewide Voluntary Preschool Program (SWVPP) for Four-Year-Old Children is to provide an opportunity for all young children in the State of Iowa to enter school ready to learn by expanding voluntary access to quality preschool curricula for all four-year-old children." (Educateiowa.gov) Our program uses Creative Curriculum, Second Step, and Learning without Tears to address all areas of early learning including language, literacy, math, science, physical, and social/emotional skill. We provide children an opportunity to learn in a variety of ways including play, problem solving, movement, art, music, drawing, writing, listening, storytelling, and more. In our room we don't learn to play, we play to learn.

Please feel free to stop in and check us out! I look forward to meeting you and your little learner soon!
